Message from our Founder

Dear Friend,

It is with great joy that I invite you to join us for the 16th Annual Women of the World Fashion Show & Cultural Gala, held in honor of International Women's Day.

Each year, this event is more than a celebration; it is a gathering of hearts. On this night, women from around the world step onto the stage, wearing the traditional dress of their homelands and carrying with them stories of resilience, courage, and hope. Their journeys remind us all of the strength it takes to rebuild a life in a new country and the beauty that comes when communities open their arms in welcome.

Your presence and support make this transformation possible. As a sponsor or guest, you help women gain confidence, education, and independence.

On March 4th, 2026, I hope you will stand with us for an evening of culture, connection, and celebration—an evening that uplifts women and strengthens our shared community.

With gratitude,
Samira Harnish
Founder & CEO

WOMEN of the WORLD

By sponsoring our event, you are directly supporting forcibly displaced women in Utah.

About Women of the World

Women of the World is a 501(c)(3) nonprofit dedicated to empowering refugee, immigrant, and asylum-seeking women and their families to build safe, independent, and fulfilling lives in Utah.

Our clients come from across the globe, seeking refuge from war, poverty, violence, and famine.

Each carries a story of resilience and hope. It is our privilege to walk alongside them as they rebuild their lives and chart new futures for themselves and their families.

WOMEN of the WORLD

Core Programs

Through three core programs, we meet women where they are and support them in becoming self-reliant:

Economic Empowerment – opening pathways to education, employment, and meaningful careers.

Customized Service – providing personalized advocacy in navigating housing, legal, health, and immigration systems.

Community Development – fostering connection and belonging through English classes, workshops, and leadership opportunities.

At Women of the World, we believe that when women are supported to succeed, families are strengthened, communities flourish, and futures are transformed.
